

DOP FOUNDATION SYMPOSIUM

BRAVO! BRAVO! BRAVO!

Steven Tsitsos & Alvin Tung

This young duet featured violin and guitar. Steven Tsitsos accompanied by Alvin Tung lived up to their billing. Young hands moved with the finesse of a true artist. Fingers moved so delicately. They had a large repertoire of music that changed the mood with each song. A couple of songs were original music, played at this Symposium for the first time

Encore! They kept us wanting more.

The Daughters Foundation participates with a symposium at every Supreme Convention. But on this day they raised the bar with an amazing duet to entertain us. So young and so good. Awesome!

Now we will be expecting an even greater Symposium in Miami.

DOP FOUNDATION SYMPOSIUM

THEY PLAYED TO A FULL HOUSE. THE DOP SYMPOSIUM IS SOUGHT AFTER AND A MUST ATTEND EVENT. THE MUSICIANS ARE SUCH GREAT ARTIST, THEY MADE IT LOOK SO EASY.

STEVEN'S MOVEMENT WAS LIKE WATCHING A DANCER AS FINGERS WORKED THE STRINGS WHILE THE BOW WAS FLYING. SOME MUSIC WAS WRITTEN BY THEM AND PRESENTED FOR THE FIRST TIME AT THE SUPREME CONVENTION. WHEN IT WAS OVER, ENCORE, ENCORE, WAS SHOUTED BY AND APPLAUDING AUDIENCE. THEY PLAYED ON.
